APRIL 2017

Family Support

Advice and information for parent carers of children and young people aged 0-25 with a learning disability and/or autism, Aspergers, or ADHD

Family Support

offers independent advice, information and support to parents and carers of children and young people who have a learning disability and/or autism or Aspergers

Our services

Advice, information and guidance
for individual families

Workshops
on topics of interest

We attend **parent events**
across the borough and **Open Evenings**
at schools for children
with additional needs

We can offer

**Telephone advice and information
and/or home visits**

The opportunity for parents and carers
to discuss the needs of their son or daughter

**Support when writing letters to the
Local Authority or preparing for meetings**

Help to access services

**Help to access disability benefits and
make charity applications if appropriate**

We work with:

- Fair Play Barnet
- Homestart
- Barnet SENDIASS
- London Borough of Barnet
- Barnet Carers Centre
- Parents Groups
- CommUNITY Barnet
- Schools
- Health professionals
- Housing and others
